WAYNE R. REYNOLDS  
Coordinator, Golden Plate Invitations

July 1, 1978

Admiral Stansfield Turner, USN  
The Director of Central Intelligence  
Washington, D.C. 20505

Dear Admiral Turner:

It was a tremendous honor and pleasure to have your participation in the 17th annual Salute to Excellence program...and your acceptance of our invitation to serve as a member of the Golden Plate Awards Council.

Our new letterheads soon will reflect your service in this respect, along with the names of several other 1978 Golden Plate awardees who will help guide us in the selection of new invitees: FBI Director William H. Webster, Clark M. Clifford, Tom Landry, Olivia de Havilland, Gordie Howe, and General Omar N. Bradley.

The next "gathering of the greats" will be held in Salt Lake City on the weekend of June 21-23, 1979...culminating with the Banquet of the Golden Plate on the evening of Saturday, June 23. We are hopeful that you will want to re-join us there, especially for the presentation of awards at the Banquet, and that your schedule might permit your renewed participation.

Thank you again!...and we hope to see you in Salt Lake City next year.

With best regards,

A non-profit, tax-exempt organization, dedicated to the Inspiration of Youth--to raise their sights high; to excel in their endeavors--through the dramatic annual salute...at the Banquet of the Golden Plate... to Captains of Achievement from America's great walks of life and honor students from across the nation.
